Dear Mr. Mumm:

On July 27, 2017, SunLight Energy Group ("Company") filed an Application for a License to Supply Electricity or Electric Generation Services in Maryland under COMAR 20.51. The Company proposes to provide electricity supplier services in Maryland for commercial customers as described in the application. Additional information was filed on August 8, 2017.

After considering this matter at the August 23, 2017 Administrative Meeting, the Commission granted the Company a license to supply electricity or electric generation services in Maryland (License Reference Number IR-3940). The license granted by the Commission under this Letter Order is limited solely to electricity supplier broker services for the customer class and service territories applied for and recommended by Staff.

Finally, the Company is reminded that it is under a continuing obligation to notify the Commission within 30 days of any changes to the information upon which the Commission relied in granting this license. A copy of the supplemental or updated information is required to be filed concurrently with the Office of People's Counsel.

By Direction of the Commission,

A handwritten signature in blue ink, appearing to read "David J. Collins".
